

Privacy policy

The privacy policy of personal information (hereinafter referred to as the Policy) applies to all information that Konstruktivnye Resheniya LLC (hereinafter referred to as Kashalot or Kashalot) can be obtained about the User during his use of Kashalot websites, services, programs, products or services (Kashalot) (hereinafter referred to as Service, Kashalot Service) and in the course of execution of any agreements and contracts with the User by the Kashalot.

Using the Service Kashalot means the unconditional acceptance of the User with this Policy and the conditions for processing his personal information specified therein; in case of disagreement with these terms, the User must refrain from using the Services.

1. User Personal Information

1.1. In the framework of this Policy, the "personal information of the User" means:

1.1.1. Personal information that the User provides about himself / herself when registering (creating an account) or in the process of using the Service, including the personal data of the User. Required to provide the Service information is marked in a special way. Other information is provided by the User at its discretion.

1.1.2. Data that is automatically transferred to the Kashalot Service during their use using the software installed on the User's device, including the IP address, cookie data, information about the User's browser (or another program that allows access to the Services), technical characteristics of the equipment and software used by the User, date and time of access to the Services, addresses of the requested pages and other similar information.

1.1.3. Other information about the User, the processing of which is provided for by the terms of use of the Kashalot Service.

1.2. This Policy applies only to information processed during the use of the Kashalot Service. Kashalot does not control and is not responsible for the processing of information by third-party sites, to which the User can follow the links available on the site, the program is Kashalotlot.

1.3. Kashalot does not verify the accuracy of personal information provided by the User, and does not have the ability to assess its capacity. However, Kashalot assumes that the user provides accurate and sufficient personal information and keeps this information up to date.

2. Purposes of processing personal information of Users

2.1. Kashalot collects and stores only personal information that is necessary for the provision of the Services or the execution of agreements and contracts with the User, except in cases where the law provides for the mandatory storage of personal information for a period specified by law.

2.2. Kashalot processes personal information of the User for the following purposes:

2.2.1. Identification of the party within the framework of the Service, agreements and contracts with Kashalot;

2.2.2. Providing the User with a personalized Service and execution of agreements and contracts;

2.2.3. Communication with the User, including sending notices, requests and information regarding the use of the Service, the execution of agreements and contracts, as well as the processing of requests and requests from the User;

2.2.4. Improving the quality of the Service, ease of use, development of new Services;

2.2.5. Conduct statistical and other studies based on anonymized data.

3. Terms of processing personal information of users and its transfer to third parties

3.1. Kashalot stores the personal information of users in accordance with internal regulations.

3.2. With respect to the personal information of the User, its confidentiality is maintained, except in cases where the User voluntarily provides information about himself for general access to the general public. When using the Service, the User agrees that a certain part of his personal information becomes publicly available.

3.3. Kashalot is entitled to transfer the User's personal information to third parties in the following cases:

3.3.1. User consented to such actions;

3.3.2. The transfer is necessary for use by the User of the Service or for the execution of a specific agreement or contract with the User;

3.3.3. The transfer is provided for by Russian or other applicable law within the procedure established by law;

3.3.4. Such transfer takes place as part of the sale or other transfer of the business (in whole or in part), and all obligations to comply with the terms of this Policy with respect to the personal information received by him are transferred to the acquirer;

3.3.5. In order to ensure the possibility of protecting the rights and legitimate interests of Kashalot or third parties in cases where the User violates the Service User Agreement, this Policy, or documents containing conditions for the use of specific Services.

3.3.6. As a result of the processing of personal information of the User through its anonymization, anonymous statistical data has been received, which is transferred to a third party for research, work or services on behalf of Kashalot.

4. Modify and delete personal information. Mandatory data storage

4.1. The user can at any time change (update, supplement) the personal information provided by him or part of it, using the Service interface or writing a letter to support@kashalot.me.

4.2. The user can also delete the personal information provided to them within a certain account by writing the request "Delete account" to support@kashalot.me and confirming the ownership of the account. At the same time, deleting an account will result in the impossibility of using the Kashalot Service.

4.3. The rights provided for by paragraphs. 4.1. and 4.2. This Policy may be limited as required by law. In particular, such restrictions may provide for the obligation of the Kashalot to keep the information amended or deleted by the User for a period prescribed by law, and to transfer such information in accordance with the procedure established by law to the public authority.

5. Processing of personal information using cookies and counters

5.1. Cookies transmitted by the Kashalot's equipment to the User and the User's equipment of the Kashalote can be used by the Kashalotr to provide the User with a personalized Service for statistical and research purposes, as well as to improve the Kashalot Service.

5.2. The user is aware that the equipment and software used by him to visit websites on the Internet may have the function of prohibiting operations with cookies (for any sites or for certain sites), as well as deleting previously received cookies.

5.3. Kashalot is entitled to establish that the provision of the Service is possible only if the receipt and receipt of cookies are allowed by the User.

5.4. The structure of the cookie, its content and technical parameters are determined by the Kashalot and may change without prior notice to the User.

5.5. The counters placed by the Kashalot in the Services can be used to analyze the User's cookies, to collect and process statistical information about the use of the Service, as well as to ensure the operability of the Service as a whole or of their individual functions in particular. The technical parameters of the meter operation are determined by the Kashalot and are subject to change without prior notice to the User.

6. Measures used to protect personal information of the User

6.1. The Kashalot takes the necessary and sufficient organizational and technical measures to protect the User's personal information from illegal or accidental access, destruction, alteration, blocking, copying, dissemination, as well as from other illegal actions of third parties with it.

7. Change Privacy Policy. Applicable law

7.1. Kashalot has the right to make changes to this Privacy Policy. When making changes in the current edition, the date of the last update is indicated. The new version of the Policy comes into force from the moment of its publication, unless otherwise provided by the new version of the Policy. The current edition is always available on the page at <https://kashalot.me/paper/confidential/>.
